**FACULTY GRANT APPLICATION  
2008-2009**

The Oceanside High School Foundation/Alumni Association has set aside funds for worthwhile projects to enhance the academic, artistic, athletic, and vocational achievement of students. These funds can be used for classroom books, supplies, equipment, field trips, or any other meaningful project. Funds are available for up to \$1,000 per school year per faculty member. OHS faculty members are encouraged to submit one application per year, and each application will be considered, as funds allow. At times, partial funding will be granted if funding is limited. This faculty grant is only available to currently employed faculty of Oceanside High School.

Please complete this application, additional pages may be added if desired. Please email completed application to: [pgkimbrel@sbcglobal.net](mailto:pgkimbrel@sbcglobal.net). If you have questions, please contact Glenda Kimbrel at 760-433-9078. Finalists for funding will need to appear before the OHS Foundation Board to present their requests and answer questions. A brief presentation of the project to the OHS Foundation Board will be requested after it has been completed.
